

We're hiring:
Teacher

CLOSING DATE

Open until position is filled

ON-SITE

Monday - Sunday, One week on,
one week off rotation

Our staff say the benefits of working here include: "The family oriented atmosphere is great. We are helping play a part in changing the lives of people who are struggling."

Overview

The Teacher is responsible for the academic program that provides learning opportunities for the youth at the Charles J. Andrew Healing Centre (CJAHC). The Teacher will foster a positive learning environment and plan, organize, and prepare the educational program to meet the academic levels and needs of the youth. They will be responsible to provide support, observe and record the progress of their class while keeping up to date with developments of the subject areas, new resources, new methods, and teaching objectives for multiple grade levels. Where possible the Teacher will integrate learning opportunities with CJAY's Land-based program.

Responsibilities

Under the supervision of the Clinical Program Manager as part of the various workgroups and teams, the Teacher performs the following services at CJAHC

- Works with the client to prepare a detailed plan focused on building literacy and numeracy
- Prepares a general curriculum that will serve as the core for individual and group teaching exercises
- Prepares lesson plans that include updated and relevant materials such as books, audio-visual tools, and videos to enhance learning
